Whether relaxing with friends or entertaining clients and associates, members and their guests spend their time immersed in luxury and beauty. Without a doubt, life is good at Ridgewood Country Club!

The Grounds

Not one, but three outstanding course architects have had a hand in the creation of Ridgewood's golf layout, Devereux Emmet, Robert Trent Jones, and Roger Rulewich, resulting in a course that's challenging and a pleasure to play for golfers of every skill level. The course's hills, dales, stretches of meadow and abrupt elevation changes provide the natural formations from which one of New England's most engaging 18-hole golf courses has been developed.

Our tennis courts welcome all levels of skill to enjoy the complete tennis experience. If a day by the pool is your idea of leisure, our swimming pool is the place to be in the summer. Ridgewood Country Club's pool will become your "vacation spot" close to your home!
